# Illinois Workforce Partnership

**Supporting Workforce and  
 Economic Development**

**2019 Workforce  
 Partners:  
 Business, Economic  
 Development & Labor**

As the voice of the local workforce development system, the **Illinois Workforce Partnership** is committed to representing the interests of local workforce boards and elected officials. The local workforce boards bring together local employers, economic development agencies, labor organizations and other stakeholders to create a workforce development system that addresses the diverse needs of our employers. IWP applauds the outstanding contributions and continued support of these local businesses, economic development partners and labor organizations.
